

Sonographer – Full time or Part time
EchoNorth Ultrasound Specialists
Whangarei, Northland, NZ
www.echonorth.co.nz

Have you considered emigrating to New Zealand?

EchoNorth Ultrasound Specialists (www.echonorth.co.nz) is a busy private, locally-owned, non-corporate ultrasound practice in Whangarei, Northland. Join our team in a dynamic and stimulating work environment using high quality equipment.

Position Requirements:

- Eligibility to live and work in NZ
- Relevant Postgraduate ultrasound qualification recognised by the NZ Medical Radiation Technologists Board (NZMRTB).
- Experience in General Ultrasound, Obstetrics and Gynaecology and MSK.
- Experience in vascular is advantageous as we run a successful varicose vein treatment service.

We offer:

- A wide variety of interesting and challenging work, using high quality Canon equipment.
- A supportive, inclusive and experienced team which is highly regarded within the industry.
- Realistic and sociable hours, Monday-Friday, with no on call.
- A competitive remuneration package that reflects experience and skills.
- The opportunity to explore and enjoy the fantastic Northland surroundings and develop the perfect work-life balance. Visit <https://whangareinz.com/livework/living-in-whangarei>

The role of sonographer is a Tier 1 role on the ANZCO Green List eligible for the “Straight to Residence” pathway in New Zealand. For more information, visit: <https://www.immigration.govt.nz/new-zealand-visas/visas/visa/straight-to-residence-visa>

If you are a conscientious and hard-working sonographer with an eye for detail, keen for an adventure in moving to NZ and would like to work for an organisation that is committed to delivering first class service to patients and referring clinicians, email your CV to angela@echonorth.co.nz.
