Associate	R287.50
Honorary	R0
Institutional	R1150
Ordinary	R575
Student	R287.50
Supplementary	R287.50

**Due to the high bank charges, cash payments will no longer be permitted. Membership fees should be paid through electronic transfer (EFT) only.**

Kindly use your South African Identity (ID) number or your unique 13 digit ID as a reference. Email proof of payment to [sorsaoffice@gmail.com](mailto:sorsaoffice@gmail.com) and copy to [sorsatreasurer@gmail.com](mailto:sorsatreasurer@gmail.com)

#### Banking details are as follows:

**Account holder:** Society of Radiographers of South Africa Nedbank Cheque Account  
**Account Number:** 1381293093  
**Branch code:** 198 765  
**Branch name:** Smith Street  
**SWIFT number:** NEDSZAJJ

**NB: Your 13 digit identity (ID) number must be used as a reference for all fee payments. We will not be able to reconcile payments if your ID is not reflected on the bank statement for the above account.**

#### Important notice about membership fee payment method from 2025.

From 2025, the only route that will be possible to pay membership fees will be EFT since the majority of members use this route of payment currently. The credit and debit card facility will therefore be discontinued from 2025. This allows to minimise the charges incurred by the society for this facility.

#### 2025 SORSA-IAFR Congress sponsorship

Sponsorship information for the 2025 SORSA-IAFR Congress will be sent to all members by 1 April 2025. The sponsorship application deadline is 10 July 2025.

#### Best oral presentation awards

Oral presentations by SORSA members are eligible for consideration for the best oral presentation award. At the 2025 congress the usual SORSA award for the best oral presentation in any area/discipline is up for grabs. There will be a second award, the Dr Joel Bortz Award, which is a new award for the best oral presentation on clinical practice. It will be awarded to a SORSA member whose presentation underscores outcomes that directly affect service delivery to patients, as well as how lifelong learning increases professional growth to benefit patients.

Your continued support is appreciated.

Yours sincerely

  
**Riaan van de Venter**  
SORSA president
